Shorts Cinemaghar

Building India’s Next Generation of Filmmakers — On Your Campus

A Campus-Rooted Cinematic Ecosystem

Powered by Short Film Tour

THE PROBLEM

The Challenge Colleges Face in Emerging Cities

- Students have limited access to real industry exposure
- Media courses need stronger integration with practical, industry-led learning
- Talented students migrate to metros for opportunities
- Campuses struggle to stand out beyond their region
- Few structured platforms for creative careers
- Cultural events don’t create long-term outcomes
- Industry mentors rarely visit non-metro cities

“Talent exists everywhere. Opportunity does not”

THE OPPORTUNITY

Bringing National Exposure to Your City

- Positions your campus as the creative leader of your region
- Brings industry-level mentorship to your students
- Reduces student migration to metros
- Improves placements & creative career outcomes
- Attracts brands & industry into your city
- Boosts admissions from nearby districts
- Builds long-term cultural prestige

WHAT IS SHORTS CINEMAGHAR?

A 360° Cinematic Ecosystem on Your Campus

Shorts Cinemaghar is India's first campus-rooted cinematic ecosystem that brings together:

- Film screenings & competitions
- Workshops & master classes
- Mentorship by industry professionals
- National tour exposure powered by Short Film Tour
- Jury recognition
- Digital distribution
- Revenue-sharing for filmmakers

"Not just an event — a year-round creative program"

Global Showcase Opportunity for Winning Films

Direct Entry to Showcase International Short Film Festival, Krakow, Poland

(No Fees. No Barriers. All Glory)

What the Winning Film Gets:

- Official Selection at the Showcase International Short Film Festival — Poland & India Edition
- Zero Entry Fees — Fully sponsored festival submission
- Competes in the Student Short Film Category
- International Screening Exposure across Europe and India
- Official Credits for the University during festival screenings
- Festival Laurel & Certification for student portfolios
- Global Publicity via festival promotions, press & social media

Why This Matters for Students

- Transforms a campus film into a globally recognized festival entry
- Adds international credibility to their creative profile
- Boosts career opportunities in film, media, advertising & content
- Builds confidence, motivation, and long-term artistic ambition

Why This Matters for the Institute

- Positions your campus as a global creative launch pad
- Earns international visibility for your institution
- Strengthens NAAC, branding & student placement narratives
- Creates a unique annual international achievement to showcase

" Your campus doesn't just host a competition — it launches filmmakers onto the global stage... "
